## PLATINIUM Brushless

- Bürstenlos, sensorgesteuert
- einstellbares Timing
- integrierter Ventilator
- optimiertes Gewicht
- Neodym Rotor
- Sensorkabel beige packt (16cm)

Höchste Effizienz und perfekte Umsetzung der Leistung zeichnen diese neue Platinum-Motorenserie aus.

## PLATINIUM Brushless

- Brushless, sensed
- Adjustable Timing
- Integrated Fan
- Lightweight design
- Neodym Rotor
- Sensorcable included (16cm)

High efficiency and perfect transformation of the power are the top features of the new Platinum-Motor-series.
